The Sidefill Demo Tapes .....Not The Basement tapes by B.Dylan  
1990 & 1991

Recorded at Inside Studio-Roskilde  
& Kr.Saabby Fritidshjem

Engineered by : IS crew  
Ralf & JP

**The Band :**

**Jesper Boysen : Vocals, acc. Guitar**

**Tuck Bergmann : Lead Guitar & Vocals**

**Rolf Jørgensen : Guitar, Banjo & Vocals**

**Henrik Dankert : Harp, Perc. & Vocals**

**Jens Peters : Bass, Guitar & Vocals**

**Bo "Tju-Bang" Larsen : Drums**

These recordings were compiled with  
no equalization or any other sound-  
reinforcement equipment.....in other  
words.....completely native.....  
- "watch your ears !" - and are true to  
the basic cassette copies.

Some wow & flutter may occur !
